

Year 3- Half-Term Home Learning

English

Task 1- An artefact is an important object that has some significance behind it. It might even have a little story behind it!

Choose **3** important artefacts in your house and explain what makes them important/significant. Draw and label them.

Task 2- Grab a book, find somewhere peaceful, possibly ask nicely for a hot chocolate and read quietly for 30 minutes (a fiction book will be better for this session). As you read, have a think about the following questions and answer them in full sentences.

- What is your book called?
- Where is the story set?
- If the main character in your book lived next door, would you be friends and why?
- If you could be any character from your book, which one would you be and why?
- What do you think will happen next?

Read lots of other books, magazines and suitable newspapers.

Maths

Organise a treasure hunt in your house, include mathematical clues leading to a final treat.

Or

Design your very own board game, include a variety of calculations to puzzle the members of your family.

Learn your times tables x2, x4, x8

Learn your number bonds to 100 (99+1, 98+2...) Then to 1000!

Topic

Science- Plant a seedling. Use a suitable pot with compost/soil. Follow the instructions on the seed pack. Water the seedling and look after it.

Take photos of it as it grows and complete a picture profile like the one below.

Year 3- Half-term homework

Learn a new skill (with the help of an adult), there are plenty to choose from:

- Make your own breakfast
- Wrap a present for someone- Use your accurate estimating and cutting skills
- Read a map- Identify landmarks, streets and roads
- Help with the shopping- Make a list, add totals, choose better value products, unpack and put it all away
- Do the laundry- Measure and add detergent, choose the setting and start the machine

Have a wonderful half-term

Take care and keep safe

Mrs Usman & Mrs Adewumi
