Remote Learning Grid

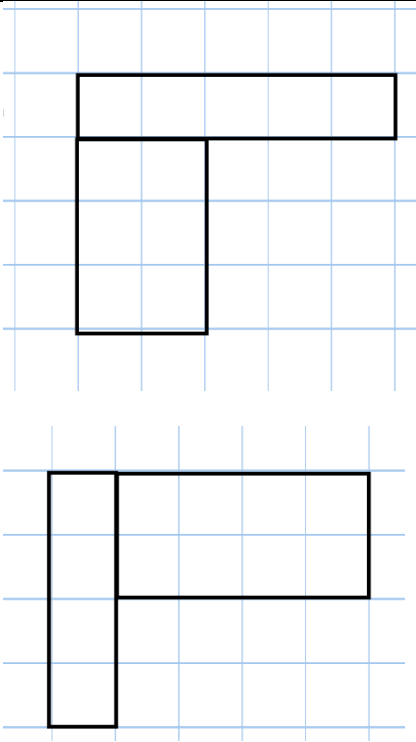

Year 5

Week Beginning 16.11.20

Day	English	Maths	Science/Topic work
1	<u>What is revenge?</u> Listen to chapter 12 of The Boy at the Back of the Class: https://www.youtube.com/watch?v=2y6NxVLupVw Then answer the following questions: 1) Why do you think Ahmet says its ok to fight back against people that hurt you? (4th minute on the video) 2) What does the word 'revenge' mean? Use a dictionary if you are unsure. 3) Do you think its ok to take revenge on people that hurt you?	<u>Convert between mm, cm and m:</u> To convert mm to cm, we divide the mm by 10. To convert cm to mm, we multiply the cm by 10. To convert cm to m, we divide the cm by 100. To convert m to cm, we multiply the m by 100. Using the information above, convert the following measurements: 1) 35mm = ____ cm 2) 743mm = ____ cm 3) 25cm = ____ mm 4) 31cm = ____ m 5) 3.25cm = ____ mm 6) 385cm = ____ m 7) 32m = ____ cm 8) 7.5m = ____ cm	<u>Geography</u> Using a map of South America, complete the map below by locating all the countries in South America and 3 major cities in Brazil:  Use an atlas or globe to help you. Your task: Locate Brazil, label this space then label the neighbouring countries. Next, locate and label 5 Brazilian cities of your choice. Extension: Can you label the rest of the South American countries?

2	<u>Is revenge good or bad?</u> Write down 3 reasons why some people might think taking revenge is a good thing to do. Then write down 3 reasons why some people might think taking revenge is a bad thing to do. Now write down your own opinion. Do you think it is a good thing or a bad thing to take revenge on people that hurt you?	<u>Solve problems involving converting lengths:</u> Using your knowledge from the previous lesson on converting between mm, cm and m, solve the following problems: 1. Anna has a ribbon that is 4.8m long. Ben has a ribbon that is 190cm long. How many metres longer is Anna's ribbon? 2. Alex needs a wallpaper that is 4.9m long. He has a wallpaper that is 140cm. His brother gives him 2.7m of wall paper, How many centimetres of wallpaper does Alex still need? 3. Sarah's pencil is 17.8cm long. Khadija's pencil is 165mm long. How many centimetres longer is Sarah's pencil?	<u>Geography</u> A physical feature is something that is natural in the Earth, like mountains, forests, waterfalls, etc A human feature is something that humans have built, like statues, stadiums, buildings, etc. Do some research on the physical and human features of Brazil. Then create a poster including some pictures and descriptions. Rio de Janeiro <table><tr><td> Human Features  Tijuca Forest is a hand-planted rainforest. Christ the Redeemer statue is situated in Tijuca Forest and is a religious statue that stands on top of Corcovado Mountain. </td><td> People call Rio de Janeiro 'Rio' for short. It is the second largest city in Brazil. </td><td> Physical Features  Sugarloaf Mountain is a peak located at the mouth of Guanabara Bay. It is nearly 400 metres high.  Copacabana beach is 4km in length. Rio is very famous for its carnivals too. </td></tr></table>	Human Features  Tijuca Forest is a hand-planted rainforest. Christ the Redeemer statue is situated in Tijuca Forest and is a religious statue that stands on top of Corcovado Mountain.	People call Rio de Janeiro 'Rio' for short. It is the second largest city in Brazil. 	Physical Features  Sugarloaf Mountain is a peak located at the mouth of Guanabara Bay. It is nearly 400 metres high.  Copacabana beach is 4km in length. Rio is very famous for its carnivals too.

People call Rio de Janeiro 'Rio' for short. It is the second largest city in Brazil. 	Physical Features  Sugarloaf Mountain is a peak located at the mouth of Guanabara Bay. It is nearly 400 metres high.  Copacabana beach is 4km in length. Rio is very famous for its carnivals too.				
3	<u>Plan a balanced argument on revenge:</u> Using your notes from the previous session, complete the table below by: Writing an introduction about the topic 'revenge'. Writing two arguments for and against revenge. Writing a conclusion with your own opinion on revenge.	<u>Measuring and Calculating Perimeter:</u> We can calculate the perimeter of a shape by measuring all the sides and adding them up: What is the perimeter of the following shapes? Each square is 1cm.	<u>PE</u> Follow the YouTube link below and choose a PE session by Joe Wicks to do: https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ			

	Introduction: (Explain the topic that you are going to discuss) Arguments for revenge Arguments against revenge Conclusion:		
4	<u>Write a balanced argument on revenge:</u> Using your plan from the previous session, write a balanced argument on revenge. You need to include the following: An introduction about the topic ‘revenge’. Two arguments for revenge. Two arguments against revenge. A conclusion with your own opinion on revenge.	<u>Measuring and Calculating Perimeter:</u> We can calculate the perimeter of a shape by measuring all the sides and adding them up: What is the perimeter of the following compound shapes? 	<u>Art – Take One Picture</u> Using the artwork below, design your own sword and shield for this battle. Draw the 2 items on a paper and design them using colouring pencils. 

			
5	<u>Book review</u> Write a book review of a book you have recently read. You may want to include: • Title • Author • A summary of the story • Whether or not you would recommend this book and why • Who you would recommend the book to A picture of one of the characters or the front cover of the story.	<u>Perimeter:</u> Using squared paper, draw the following shapes with the given perimeter: 1) Draw a square that has a perimeter of 16cm. 2) Draw a rectangle that has a perimeter of 22cm. 3) Draw a rectangle that has a perimeter of 24cm. 4) Draw a compound shape that has a perimeter of 28cm. 5) Draw a compound shape that has a perimeter of 32cm.	<u>Art – Take One Picture</u> Using the artwork below, design your own flag for this battle. Think about which country and year this battle might have taken place. Draw your flag on a paper and design it using colouring pencils.
