Year 5

Week Beginning 12.10.20

Day	English	Maths	Science/Topic work										
1	<u>Verb Tense</u> Sort out the verbs into past and present. Then choose three verbs and write three sentences. Challenge – Can you use two verbs in the same sentence. <table><tr><td>jumped</td><td>kicked</td></tr><tr><td>kiss</td><td>speak</td></tr><tr><td>hugged</td><td>walked</td></tr><tr><td>sleep</td><td>went</td></tr><tr><td>grab</td><td>eat</td></tr></table>	jumped	kicked	kiss	speak	hugged	walked	sleep	went	grab	eat	<u>Multiplication</u> Watch the following video to remind you of how to use the short multiplication: https://www.youtube.com/watch?v=RVYwunbpMHA Then answer the following questions using the column method: 1. 421 x 6 2. 55 x 12 3. 325 x 15 4. 2113 x 25	<u>History</u> Follow the link below to help you learn about the games the Mayans used to play: https://www.bbc.co.uk/bitesize/topics/zq6svcw/articles/zbqyy4j Then write your own instructions for one of the games.
jumped	kicked												
kiss	speak												
hugged	walked												
sleep	went												
grab	eat												
2	<u>Contractions</u> Complete the contractions below:	<u>Multiplication</u> Use your knowledge of short multiplication to solve the following: 1. There are 1234 grapes in a box. How many grapes are there in 3 boxes? 2. There are 24 apples in a box. How many apples are there in 42 boxes? 3. A TV costs £1250. How much would I have to pay if I bought 14?	<u>History</u> Follow the link below to help you learn about how the Mayans used to do farming: https://www.bbc.co.uk/bitesize/topics/zq6svcw/articles/zd844qt Then write a paragraph about the following 3 types of farming: 1. Raised field 2. Terrace farming 3. Slash and burn										

	1. did + not = _____ 2. _____ + not = couldn't 3. have + not = _____ 4. _____ + not = can't 5. _____ + will = he'll 6. _____ + would = I'd Then write 4 sentences using the following. Didn't Haven't Can't Won't	4. There are 92 pencils in a box. How many pencils are there in 75 boxes? 5. A car costs £1950. How much would I have to pay if I bought 12?	
3	<u>Book review</u> Write a book review of a book you have recently read. You may want to include: • Title • Author • A summary of the story • Whether or not you would recommend this book and why • Who you would recommend the book to	<u>Division</u> Watch the following video to remind you of how to use the short division: https://www.youtube.com/watch?v=KGMf314LUc0 Then answer the following questions using the short division method: 1. $28 \div 2 =$ 2. $84 \div 2 =$ 3. $396 \div 3 =$ 4. $3948 \div 3 =$ 5. $8496 \div 4 =$	<u>PE</u> Follow the YouTube link below and choose a PE session by Joe Wicks to do: https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ

	A picture of one of the characters or the front cover of the story 		
4	Play Script Three friends are planning a party to celebrate one of their birthdays. The beginning of the conversation is in the box below:  (Sophie, Sam and Sejal are having a conversation in the playground at school.) Sophie: (Excitedly) It's only two weeks until my birthday! I can't wait! Sam: What are you going to do to celebrate? Sophie: Mum says I can have a party. Sejal: Fantastic. Who is coming? Sam: What will we do at the party? Your task is to write a play script continuing the conversation between the friends, explaining what will take place at the birthday party.	Division Use your knowledge of short division to solve the following: 1. Alex has saved £84. He shares it equally between his 4 friends. How much does each friend receive? 2. Max has £3948. He distributes it equally between his 3 bank account. How much does each bank account have? 3. Sarah wins £8496. She shares her money between her 4 sisters. How much does each sister receive? Challenge: Muffins are packed in trays of 6 in a factory. In one day, the factory makes 5,623 muffins. How many trays do they need? How many trays will be full? Why are your answers different?	RE Follow the link below to help you learn about Ramadan: https://www.bbc.co.uk/bitesize/topics/zpdtbkb/articles/zjc2bdm Now create a poster about Ramadan.
5	Homophones	Multi-step word problems	Science

	A homophone is where two or more words have the same pronunciation but different spellings and meanings These words below are all homophones. Try and define what each word means. Then choose two of them and write four sentences Sale: _____ Sail: _____ Here: _____ Hear: _____ Tail: _____ Tale: _____ Pail: _____ Pale: _____ Pour: _____ Poor: _____	Use your knowledge of addition, subtraction, multiplication and division to solve the following: 1. Andy saved £2568 in June and £2620 in July. He then spent £1150 on a laptop. How much money does he have left? 2. Ben has £12,500. He pays £1120 per month on his rent for 6 months. How much does he have left? 3. Adam saved £625 per month for 4 months. He then distributed all his money between 5 bank accounts. How much money is in each bank account? Challenge: Pencils come in boxes of 64 A school bought 270 boxes. Rulers come in packs of 46 A school bought 720 packs. How many more rulers were ordered than pencils? 	Follow the link below to help you learn about the Earth's orbit. Then write about how the Earth orbits the sun and how you think the sun affects the seasons on Earth. Use the key words below: https://www.youtube.com/watch?v=l64YwNI1wr0 Sun Rotate Orbit Axis Summer Winter
