Storytime

Click on the link below to listen and watch the story of 'The Jolly Christmas Postman'.

https://www.youtube.com/watch?v=yjLoKup6y_4

When you have finished listening to the story can you tell your adult;

Who did the postman post the letters to?

Who was your favourite character from the story?

Red words are tricky words so you have to use your memory and remember them.

Green words are words that we can sound out using our phonics to help us e.g. d-a-d, dad.

Here are your red word and green word to look out for when you are reading with your adult.

Ordering Length

Can you print or draw the caterpillars on a piece of paper? Can you use scissors to carefully cut around each caterpillar?

Which caterpillar is the longest? Which caterpillar is the shortest? Can you now place them in order by size, from longest to shortest?

Expressive Art and Design – Craft

Can you cut up different sizes of green strips and place them in order by size to create a Christmas tree?

Follow the instructions on this sheet to make your own playdough
– no cooking or hot water required!

No-Cook Playdough

Ingredients

2 cups plain flour
1 cup salt
1 tbsp oil
1 cup cold water
2 drops liquid food
colouring
– any colour of
your choosing

Method

1. Mix the flour and salt together in a large mixing bowl.
2. Add the cold water, oil and drops of food colouring and mix together.
3. When your ingredients are well mixed, take them out of your bowl and place your dough onto a flat surface, such as greaseproof paper.
4. Knead vigorously for a few minutes, until your dough feels like playdough and all of the stickiness has gone.

What is kneading?

This is when you press, massage, squeeze and fold your dough.

If your dough is too wet, add a little extra flour and carry on kneading.

If your dough is too dry and crumbly, add an extra drop of cold water and carry on kneading.

Make sure you add any extra ingredients a little bit at a time.
