

It is half term!

As you know, not all superheroes wear capes and during these very strange times, we have heard a lot about the NHS being our superhero. This week, we would like you to create your own superhero!

Monday

Read some superhero books.

If you have not got any superhero books, you can listen to some on Youtube. Here is a list of books you can listen to.

5. Superkid

Tuesday

Think about what powers you would have if you were a superhero. Now, write a few sentences explaining what powers you have and what you would do with those powers. Do not forget to write your superhero name!

Wednesday

Now, it is important that you have a superhero costume. Design your superhero costume, make sure to label each part of the costume.

Thursday

Using your designs from yesterday, use some old clothes to create your superhero costume. Make sure to ask an adult first.

Now that you have your costume and you know what superpowers you have. Can you take pictures of yourself acting out your different superpowers?

Friday

To finish of the week, it would be good if you wrote a short story about your superhero. Do not forget, your story must have a title.

Now video yourself acting out your story!
