Day	English	Maths	Science/Topic work
1	Look at the picture below. What can you see? Who is in the picture? What do you think about the picture? Have a discussion with your adults at home about the picture. What do they think about the picture?	This week we will be focusing on addition / adding again. This is the same as more than, add, increase, greater than. Addition means putting two groups together and finding the total. Can you find some objects at home and add 2 groups together?	
2	The title of this week's story is "Why The Bananas Belong To The Monkey". A Brazilian	Solve the following number sentences: (you may need to use objects to help you).	<u>Geography:</u>

	Story" What do you think about the title? What does it mean? What will the story be about? Looking at yesterday's picture again, can you make any links between the title of the story and the picture? Use both the title and the picture to make predictions about the story.	$5 + 3 =$ $3 + 4 =$ $6 + 2 =$ challenge: solve: $10 + 3 =$ super challenge: can you make up your own number sentence for someone to solve?	This week we are studying a story which is originally from Brazil. Can you research some facts about Brazil? What do people traditionally eat? What famous landmarks are there? What is the Capital city? Challenge: Can you write the facts down?
3	Today you are going to listen to some of the story. Listen to 1:40 when the monkey takes the bananas home to ripen. https://www.youtube.com/watch?v=OqPLyZ-8ZBA Challenge: After listening to some of the story, talk to an adult about the two characters. Were they good characters or were they bad? Why?	Here is a number line:  Can you use the number line to help you solve these number sentences?	Can you make your own Brazilian flag? What colours do you need to use? Remember to take pictures! 

	Super challenge: Can you think of and write a list of words that mean bad.	Remember: you have to jump forward on the number line when adding. $3 + 3 =$ $6 + 3 =$ $7 + 2 =$	
4	A diary is a book where you write all about the things you might not want other people to know about. And today you are going to pretend to be the little old woman and write a diary entry. Write about how "you" felt about the monkey taking all the lovely bananas and leaving "you" with the ugly ones" 	Listen to this addition song: https://www.youtube.com/watch?v=WT_wvvEvkw4 what are the steps to adding? Which way do you move on a number line? Using the number line from yesterday, make up your own addition number sentence and solve it.	Today you are going to focus on the language spoken in Brazil. Can you find out what language is spoken in Brazil?  Challenge: Can you count in Portuguese? https://www.youtube.com/watch?v=NTmyTyLDi-A

5	Finish listening to the story. https://www.youtube.com/watch?v=OqPLyZ-8ZBA  Think about the characters. Reflect on the characters and their actions. Challenge: Can you think of a time you asked someone for help? Did that person help you the way you wanted? How did it make you feel? Discuss with the adults in your house.	Read the following word problem: Mrs Hussain has 4 pencils. Ms Able Thomas gives her 4 more pencils. How many pencils does she have altogether?  Remember the following steps to take when solving word problems: 1. Read the problem. 2. Underline the important words and numbers. 3. Write the number sentence. 4. Solve it.	

How about cooking your own Italian food?

Get your adults help to boil some pasta? Or make a homemade pizza!

Challenge: Can you talk through the steps you need?

Super challenge: write down your recipe for the food you made.
