Year 1

Week Beginning 05.10.20

Day	English	Maths	Science/Topic work
1	Can you do some research about the country India? What languages do people speak? What is the capital? What clothing do people traditionally wear?  challenge: Write your facts down. Super challenge: compare your facts about India to England.	This week we will be focusing on addition / adding. This is the same as more than, add, increase, greater than. Addition means putting two groups together and finding the total. Can you find some objects at home and add 2 groups together?	Science: This week we will be looking at change of seasons. Listen to the seasons song on youtube: https://www.youtube.com/watch?v=ksGiLalx39cD Discuss with your adult what happens in each season.
2	Get hold of the following ingredients: Flour, water. Can you make a chapati with the help of your adults? What steps did you take? If you can take some pictures!	Solve the following number sentences: (you may need to use objects to help you). $5 + 1 =$ $3 + 1 =$ $6 + 1 =$ challenge: solve: $4 + 2 =$ super challenge: can you make up your own number sentence for someone to solve?	Look outside your window. What season do you think it is now? How do you know? Look at the leaves on the trees - what do you notice?  challenge: can you write a sentence about

			what you can see? Super challenge: can you compare what you can see outside to what you would see if it was summer?
3	Listen to the story: The runaway Chapati on youtube. https://www.youtube.com/watch?v=NTzY1Hd_zJg Is the story similar to another story you have heard before? How?	Here is a number line:  Can you use the number line to help you solve these number sentences? Remember: you have to jump forward on the number line when adding. $3 + 1 =$ $2 + 2 =$ $7 + 1 =$	Play seasons bingo! Draw a picture of each season (eg: sun for summer, brown leaves on trees for autumn, snow for winter and flowers for spring). Ask your family member to pick a picture and describe what the picture shows without using the season word. Can you guess what the season is? Now keep playing and swap so you describe the picture.
4	Think back to the time when the tiger took the chapati. Can you write a short letter to the tiger asking where your chapati is? Remember letters starts with 'to' and end with 'from'	Listen to this addition song: https://www.youtube.com/watch?v=WT_wvvEvk_w4 what are the steps to adding? Which way do you move on a number line? Using the number line from yesterday, make up your own addition number sentence and solve it.	Focus on autumn. Can you describe what happens during autumn? Write some facts about autumn. If you can, go for an autumn walk (remember to be safe when doing so!) What have you found?

			 challenge: Write a few sentences about what happens in autumn.
5	Read your letter to your adult. Can you work together to correct any mistakes? What have you done well? What could you improve for next time? Remember to look out for capital letters, finger spaces, fullstops.	Read the following word problem: Anna has 2 apples. Aysha gives her 2 more apples. How many apples does she have altogether?  Remember the following steps to take when solving word problems: 1. Read the problem. 2. Underline the important words and numbers. 3. Write the number sentence. 4. Solve it.	Think about summer. What did you do during the summer? Think about the things you have done with your family.  challenge: Write a few sentences about what you did during the summer.
