

Year 1 Easter homework

Here are some fun activities for you to do during the Easter break. You can do them one at a time. Remember to send in pictures of what you have done to our newsletter email address!

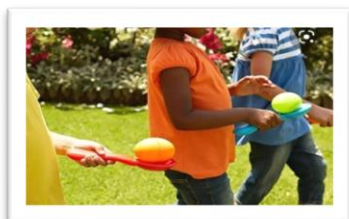

1. Can you draw some things that are important to you? You can even find pictures from a magazine or newspaper which you find important. Make a collage of these drawings / picture cut outs. Here is an example:

2. Can you make your own paper Easter egg baskets? You can use anything you have at home to decorate and make them look amazing!

3. Why not get physical and do some Easter egg-cercise?? Can you bunny hop around the room? Can you go on an Easter egg hunt around your house? Can you compete with a family member on an egg and spoon race? There are some really good exercise videos available on Youtube.

- 4. Do you have cereal at home? Why not make some crispy Easter egg cupcakes using cereal, some chocolate and decorate it? Check out BBC chocolate Easter egg recipes for simple no bake Easter cooking fun!**

- 5. Make up your own mathematical word problems and get your family members to solve them.**

REMEMBER: read daily for 10 minutes aand continue to practise your phonics sounds. There are many phonics games available on Purple mash to keep you going.

Have a great Easter break and keep safe!

From the Year 1 team
