

Year 1 Remote Learning Grid

Week 6

Wb: 11th May 2020

Please use this remote learning grid to direct your child's learning while school is not open.

Learning activities are listed by day, with each day consisting of an English, Maths and Topic / Science activity. Activities are designed to consolidate learning that has already taken place, while also allowing children to start to think about learning that will be taking place during the summer term. There are three activities set each day. Activities should be completed in the provided remote learning book.

Within your child's home school communication book you will find your child's user and name and passwords for specific online learning resources, which are provided by the school. These resources can be used to support the learning.

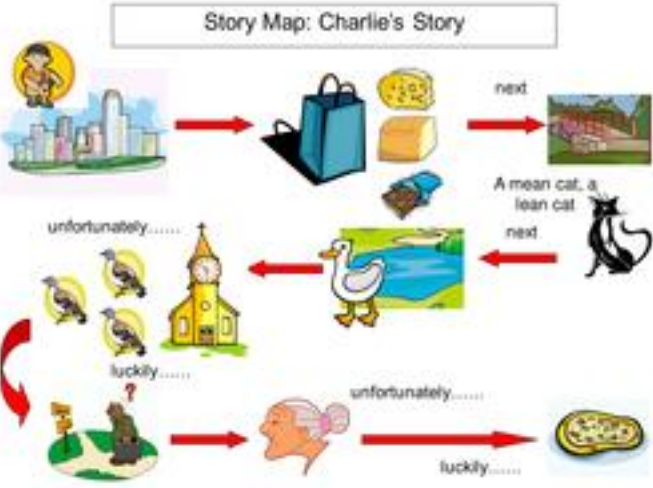

Regular Reading, Spelling and Timetables (At least 3 times per week)

In addition to the daily learning activities, your child should continue to practice their reading, spelling and timetables at least three times per week.

- Year group spelling lists are also available on the school's website. Your child should continue to learn words that they do not know. Please work through these lists. Advice on different ways to practice spellings is also available.
- Times tables should continue to be learnt. Your child should continue to practice counting in 2s, 5s and 10s.
- Your child has been provided with a school reading book, please continue to read this or an appropriate book, which you may have at home, with them.

Daily Learning Activities

Day	English	Maths	Topic / Science
1	Today we want to focus on traditional tales from around the world. How about a traditional tale in your own home language? Can you write a short summary / draw pictures about the tale? Here is a website link which gives you some insight to traditional tales from around the world: https://theculturetrip.com/middle-east/iran/articles/13-delightful-childrens-stories-from-around-the-world/ quick practice: Read/write Year 1 common exception words.	Look in different rooms and go on a number hunt. How many items can you find that have numbers on them? What is the largest number you can find? What is the smallest number you can find? Quick practice: how quickly can you say the 2 times table? Compete with a family member and see who was the quickest!	Look at the artist Andy Warhol. You can find lots of images of his art. Here is a website which tells you all about Andy Warhol and his famous pieces of artwork: https://www.tate.org.uk/kids/make/paint-draw/make-pop-art-warhol

2	Can you listen to some stories in your home language? Here is a website with stories from a range of language including: Romanian, Bulgarian, Turkish, Bengali and many more! https://globalstorybooks.net what was your favourite story? Why? Draw a story map in your book which summarises your favourite story. Here is an example of what a story map looks like: 	Practice telling the time to the hour and haf hour. Here is a game to get you practicing! https://mathsframe.co.uk/en/resources/resource/116/telling-the-time can you draw your own clock faces with the following times: 5 o clock half past 4 9 o clock 7 o clock half past 3	Now that you know some information about Andy Warhol why not create your own Andy Warhol inspired art? Draw a picture of your face on a piece of paper (can be whatever size you like). Use just 2 colours to colour in your face, hair and eyes. Now draw your face another 5 times and on each face use different colours for your eyes, hair and face. You will need to do this across a few days as it can tae a while! Remember to send in some pictures of your artwork! 

3	Can you write a recipe for a healthy snack of your choice. What would you include in your healthy snack? Can you write a list of ingredients for your healthy snack? Why not try and make your healthy snack and send through pictures to the school email? Here is a picture of some healthy snacks you could make: 	With your adult make a shopping list for the week. What items do you need? How much does each item cost? Can you work out the total cost of the shopping?	Continue with your Andy Warhol selfie inspired art.
4	- Listen to the traditional story 'Jack and the Beanstalk'. - Find a set of instructions for planting a seed or a bean. Read the instructions out aloud. Can you follow the instructions and plant a seed? Remember to keep watering it!	Can you remember what place value is? (it is the value of each digit in a number). Play this place value game: https://www.topmarks.co.uk/learning-to-count/place-value-basketball	Continue with your artwork. If you have finished, write a short paragraph about what you like / do not like about Andy Warhol's artwork. Which piece of artwork is your favourite? Which one is not your favourite? Why? Why not?
5	Can you punctuate these sentences correctly? l(1) what are you going to do today, kylie (2) what an amazing goal (3) i am going to go home if i finish my schoolwork on time (4) i hate it	Go on a shape hunt around your house. What shapes did you find? Take some pictures of the shapes you found and send them through to the school website! Play shape game:	Musical mayhem! Why not create your own musical instruments using junk modelling resources?

	(5) i live in london, in a house just off brasshouse lane (6) stop that now Now practice your phonics by playing some phonics games on purple mash.	https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns	You can use a variety of objects from old cereal boxes, tin cans, plastic bottles. Can you play your musical instrument? Send in videos / pictures of your musical instrument so we can see! Here is a website with some ideas of musical instruments (along with instructions) that you can make! https://www.activityvillage.co.uk/musical-instruments
