

Gordon Primary School

Remote Learning Grid 15.3.21

If you require further support with this week's tasks or wish to submit remote learning work to your child's teacher, they may be contacted via the following class email address:

2N - class2n@gordonprimary.redbridge.sch.uk

2R - class2r@gordonprimary.redbridge.sch.uk

Please insert your child's full name in the subject line of the email, so that your child's teacher can easily access your message.

Please note, this email address exists only for the submission of remote learning work or to seek clarification in relation to this, during any period that your child is not able to attend school. Please do not use this email address at any other time, as your message may not be responded to.

If you wish to contact your child's teacher during regular school time, please do so via the home-school communication book, or call the school office on 0208 478 2977.

Please don't forget to use Joe Wicks
live sessions on
Mondays, Wednesdays and Fridays.

https://www.youtube.com/results?search_query=joe+wicks+pe+sessions

Please use the free oxford owl eBooks
link below to read books online! Don't
forget to write in your reading record!

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Practise your phonics at home every
day at 9.30am:

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ

Phonics at Home

Your child will benefit from taking part in the daily phonics lesson with Ruth Miskin – this is available on YouTube from 9.30am each day and will be available for 24 hours so you can choose a time to view that is convenient to you. There are different lessons to choose from, according to your child's current reading ability. We hope this guide will help you select the right options for your child but, if you are unsure, you can email your child's class teacher for guidance.

Ms. Begum's group

Please use Set 2 and Set 3 videos

Practise your handwriting once a week!
<https://home.oxfordowl.co.uk/english/lesson-guide-for-parents/>

Trace and write the letters.

Practise your 2, 3, 5 and 10 times table
everyday by visiting Timetable rock star!

This Week's Spellings	New Maths This Week
Yellow: One once ask friend school put push pull full Rest of the class: Fly – flies Reply – replies Try – tries Copy – copies Baby – babies Carry - Carries Dry – Dries Marry – Marries Family – Families Cry – Cries	This week we will be looking Statistics, we will cover the following:

Year 2

Day	English	Maths	Science/Topic work																														
1	This week we will plan a writing task in the role of a character- first person writing. (This is called a monologue.) Imagine that you are the character Magpie Think about all the things that you as Magpie might have done before your wing was burnt. e.g. flying was the best part of your day, now that your wing is burnt, are you able to fly? Role-play with an adult at home, taking in turns being Magpie, showing the tragedy she has been through, what vocabulary can we use? I'm devastated. I feel disabled (last week we looked at disability in PSHE) I am wounded. Which facial expressions would you use? Which body language- Look at pictures attached to help you. How would her voice sound? Use the thought bubbles to write what Magpie is thinking and feeling at that point. (Think about what you have discussed and use that to help you.) Yellow: act out the scene in the cave, what is Magpie doing? What will she be thinking? In the thought bubbles, write a word to describe her feelings/thoughts.	This week in maths we will be looking at statistics, this is things like graphs and tally charts. It is important that you can understand what they are and how we can read data (information) from them. Today we will be focusing on pictograms. Watch the video below: https://classroom.thenational.academy/lessons/re-presenting-and-interpreting-data-using-a-pictogram-64r66c?activity=video&step=1 Now complete the following: Complete the pictogram below (Please see appendix for enlarged picture) Look at the picture below and sort it into the pictogram below  The pictogram shows _____ <table border="1"><tr><td></td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td></tr><tr><td>Banana</td><td>Apple</td><td>Pear</td><td>Carrot</td><td>Orange</td></tr></table> Challenge: (Please see appendix for enlarged picture)																										Banana	Apple	Pear	Carrot	Orange	Science: LO: I can ask questions and know they can be answered in different ways Look at a picture of this house:  How can we test materials to see if it is suitable? What would be the purpose of the roof? The walls? Develop a plan together. Think about what things they will need to test. What parts are there in a house? What about if we do not have those materials, what would be an alternative? Develop discussion and scientific skills of questioning and thinking about testing. Task: Label the materials that will be most suitable for this house.
Banana	Apple	Pear	Carrot	Orange																													

	_____ This pictogram shows how a class of Year 2 children travel to school.  = 2 <table><tr><td>walk </td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr><tr><td>bus </td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr><tr><td>scooter </td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr><tr><td>bike </td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr><tr><td>car </td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr></table> How many children travel by scooter? _____ How many children travel by car? _____ Which is the least popular way of travelling to <u>school</u>? _____ Which is the most popular way of travelling to <u>school</u>? _____ How many children walk and travel by bike <u>altogether</u>? _____ How many more children travel by scooter than on a <u>bus</u>? _____	walk 								bus 								scooter 								bike 								car 								
walk 																																										
bus 																																										
scooter 																																										
bike 																																										
car 																																										
2	We are going to plan out the monologue this week using bullet points and we need to think really carefully about the vocabulary we are going to use. Bullet points looks like this -: • Beautiful blue sky • Wind in my wings • Looking at the clouds near me Remember that they must be short and to the point and that monologues are also written in first person using ‘I’ and talks about they feel, see, and hear.	Today we will be focusing on block diagrams. Watch the video below: https://classroom.thenational.academy/lessons/re-presenting-and-interpreting-data-on-a-block-diagram-and-a-table-cmt36d?step=2&activity=video Now complete the following: Ask your family and friends what their favourite drink is and fill in the table below with the number : (Please see appendix for enlarged picture)	History What is an eyewitness? How could an eyewitness help us to know what happened in the past? Samuel Pepys was an eye witness during The Great Fire of London. Watch: https://www.bbc.co.uk/bitesize/topics/z7d7gwx/articles/zhgxcqt What is a diary? Is it fact or fiction?																																							

Watch this video clip of a clear, beautiful day in the sky.
https://www.storyblocks.com/video/stock/flying-heron-in-a-blue-sky-bird-flight-flying-above-trees-s0f_ojxnkqjmdwunvk

Today we will start with **BEFORE** part in our plan – see attached.

Now imagine that you are Magpie flying in the wind - this is something you love to do, how does the wind feel? how are you feeling, what can you see? But...how does it end (e.g. I can see a roar of fire approaching)

Yellow: draw the picture of where Magpie is flying and what she can see.

Green/ Red: Look at the work sheet, there are some bullet points to help you.

Complete the rest IN FIRST PERSON. This will ensure that you are prepped to write in first person next week and this will also help you.

<u>Favourite drink</u>	Total
Lemonade	
Milk	
Blackcurrant	
Coke cola	
Orange juice	

Now transfer these numbers into a block graph! Remember, 1 block represents 1 person. So if 3 people liked lemonade you will draw in 3 blocks! Remember to add a title to your graph!

5					
4					
3					
2					
1					
	Lemonade	Milk	Blackcurrant	Coke	Orange juice

Challenge: (Please see appendix for enlarged picture)

If they could go back in time, what questions would you ask Samuel Pepys?

Drama activity - hot seating:

Pretend to be Samuel Pepys and children ask you questions

		5 classes collected their house points. Here are their results. Which class collected the most house points? Which class collected the fewest house points? How many more points did Class 2 get than Class 4? How many fewer points did Class 3 get than Class 5? How many points did Class 2 and Class 3 get altogether?	Block graph to show House Points Collected 																														
3	Today you will write bullet point ideas on what happened During the fire. Watch this video clip of a bush fire scene: https://www.sciencekids.co.nz/videos/earth/bushfires.html Now imagine you are poor Magpie trapped in this horrific fire, how does it feel? what can you see? what can you smell? What can you feel? What can you hear? What happened after e.g. crashing down, wings not functioning! Use the answers to help you with you bullet points. In the DURING part of you Monologue plan. Here are some bullet points to get you started and allow you to continue. Remember to write bullet points in first person. • That's a BIG fire! • The smell of burning trees and leaves • I can hear crashing Yellow: draw the picture of what Magpie can see in the fire and write the words to describe what you can hear.	Today we will be focusing on tally charts and how to represent them in pictograms. Watch the video below: https://classroom.thenational.academy/lessons/re-presenting-data-in-a-tally-chart-and-pictogram-cmwk6r?step=2&activity=video Now complete the following: (Please see appendix for enlarged picture) Complete the tally chart. <table><tr><th>Favourite Colour</th><th>Tally</th><th>Total</th></tr><tr><td>Blue</td><td> </td><td></td></tr><tr><td>Red</td><td> </td><td></td></tr><tr><td>Yellow</td><td> </td><td></td></tr><tr><td>Green</td><td> </td><td></td></tr></table> What does the data tell you? 4	You are going to bullet point ideas on what happened After the fire in the monologue plan. Look at the images (see attached), of what a forest looks like AFTER a forest fire. Now imagine that you are Magpie waking up, how do you feel? What do you see? What do you try and do? Here are some bullet point to help with your bullet points:	Today we will be focusing on tally charts and how to represent them in block diagram. Watch the video below: https://classroom.thenational.academy/lessons/re-presenting-data-in-a-tally-chart-and-block-diagram-6ru34e?step=2&activity=video	RE: Watch this video about Mosques: https://www.youtube.com/watch?v=GWi7pIHfJl8 What is a mosque? What happens at a mosque? What do Muslims do when going to a mosque? Draw a poster about Mosques, labelling each part and write about why Mosques are important for Muslims.																																																												

- I am so hurt
- I feel worried
- EVERYTHING IS GONE!
- Where is every one??
- I am scared!

Yellow: Use the List of emotions to draw and write about how Magpies feel after the fire, use the emotion list to help you.

Green/ Red: DON'T FORGET to write in first person but also include a lot of feeling words as what Magpie went through, as it was tragic and it must have emotional words.
Use the emotion word list (attached), to help you with your bullet points.

Now complete the following: Complete the tally and total for the minions below. **(Please see appendix for enlarged picture)**

Minion	Tally	Total
Bob		
Kevin		
Stuart		

Challenge: **(Please see appendix for enlarged picture)**
 Now use the data from the tally chart to complete the block diagram

Free write Friday!**In your story you might want to think about:**

What is in the picture?
 What might happen?
 Who are the other characters?
 Where is this place?
 What might happen next?

X

Complete the following arithmetic questions. (Please see appendix for enlarged picture)

1)	12 subtract 5	
2)	Which month comes before August? April September June March July	
3)	How much money? 	p
4)	Double 6	
5)	How many? 	
6)	Add up 3, 5 and 2	
7)	What number comes after 49?	
8)	Tick the rectangle. 	
9)	Captain drinks 5 cups of water. Frazer drinks 6 cups. How many cups have they both drunk in total?	
10)	Flame is 10 years old. Tyger is 6 years old. How much older is Flame?	
11)	A large pack of crisps costs £3. How much do 3 packs cost?	
12)	I have £15. I spend £7. How much do I have left?	£

Music:

For this lesson you will need your body, your voice, a teddy or a toy, a pencil and some paper.

Use the following link to start the lesson:

<https://classroom.thenational.academy/lessons/creating-simple-patterns-6rwk8d?activity=video&step=1>

Can you find patterns by clapping to some of your favourite songs?

Look at the picture below and sort it into the pictogram below

The pictogram shows _____

Banana	Apple	Pear	Carrot	Orange

This pictogram shows how a class of Year 2 children travel to school.

How many children travel by scooter? _____

How many children travel by car? _____

Which is the least popular way of travelling to school? _____

Which is the most popular way of travelling to school? _____

How many children walk and travel by bike altogether? _____

How many more children travel by scooter than on a bus? _____

How many children are there altogether? _____

<u>Favourite drink</u>	Total
Lemonade	
Milk	
Blackcurrant	
Coke cola	
Orange juice
