

Gordon Primary School

Remote Learning Grid - Year 2 - Week beginning: 02.11.20

Some activities will have a traffic light system which will allow you to challenge yourself! Start each activity off in **RED**, next move onto **AMBER**, for a really big challenge try **GREEN**!

Day	English	Maths	Science/Topic
1	<u>Research task</u> This week in English we will be looking at Winter! Before you start your task think and ask yourself: 1. What is winter? 2. What happens during winter? 3. What does winter weather look like? 4. How does the environment change in winter? 5. What happens to animals during winter? Now watch: https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-winter-weather-behaviour-british-animals-plants/zbcg92p RED: After watching the video go back to the questions above and answer them in full sentences. AMBER: Can you draw 2 trees, 1 spring tree and 1 winter tree? Label the difference e.g. how is the spring tree different to winter? What does the leaves look like? GREEN: Did you know not every country has winter during Dec-Feb! Research the countries that have winter during July-August! Write a list of them down.	Today is maths we will be looking at odd and even number! Start off by watching this video on odd and even: https://www.bbc.co.uk/bitesize/topics/zknsqk7/articles/zt4jj6f Once you have watched the video, play the odd and even game: https://www.topmarks.co.uk/learning-to-count/coconut-odd-or-even  RED: complete above task AMBER: can you make a list of more numbers that are odd and even? GREEN: what makes a number odd? What makes a number even? My number is 43 I think it is even. Am I right/wrong? How do you know?	<u>Science – habitats</u> This week for science we will be looking at habitats! Habitats are places where animals live. Today we will be looking at <u>ocean habitat</u>. Watch the video below for a better understanding: https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zsfkd2p From watching the above link your task is to write a list of animals that live in the ocean.

2

Expanded noun phrase task

Expanded noun phrases are used to make your writing even more interesting! Watch the link below which explain further:

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z3nfw6f>

Look at the picture below, how many expanded noun phrases can you think of to describe what you see in this picture? Remember to use at least 2 adjectives, separated by a comma. One has been done for you.

the bright, whizzing sled

RED: Complete the above task.

AMBER: Can you draw some winter pictures of your own and label them using expanded noun phrases?

Ordering numbers

Put these numbers in order from smallest to biggest:

- | | | | | | | |
|----|----|----|----|----|----|----|
| a) | 24 | 29 | 22 | 41 | 72 | 38 |
| b) | 87 | 26 | 56 | 75 | 36 | 71 |
| c) | 15 | 52 | 51 | 18 | 98 | 49 |

RED: complete above task

AMBER: can you make your own using a variety of numbers and order them smallest to biggest.

GREEN: I am thinking of 2 number. My first number is 34 and my second number is 35. I think that 35 is smaller than 34? Am I right/wrong? Explain your reasoning.

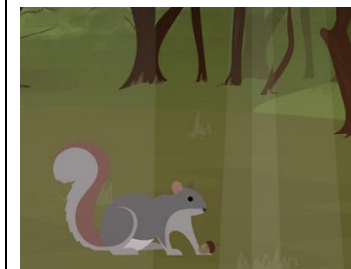

Science – habitats

Carrying on from yesterday looking at habitats! Today we will be looking at **woodland habitat**.

Watch the video below for a better understanding:

<https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zc42xnb>

From watching the above link your task is to write a list of animals that live in the woods.

GREEN: write about why animals in the ocean can't live in the woods and why animals in the woods can't survive in the ocean.
