

Year 2 Easter Homework

As part of your Easter project we would like to choose one of the suggestions below to complete (or all if you would like a challenge!):

1. Diary: Create your very own Easter holiday diary of what you did each day during the 2 weeks, including writing, pictures and decoration!

2. Easter egg decoration: Use a hard boiled egg and decorate with paint, paper, colouring pens, tissue paper, glitter or anything you have at home! You could decorate the egg to look like a superhero or princess!

3. Poetry: Write a poem about spring, this could be an acrostic poem, a rhyming poem or be creative and make up your very own!

4. Letter: You can write your very own letter to a class friend! Write about what you have done during the Easter, remember, don't forget the address, date, To and From!

Year 2 Easter Spellings

Here are some spellings to learn over Easter. You may find that you already know how to spell them if you are asked, but can you use them correctly and consistently in a sentence?

put	glue	day	start	are
had	blue	play	car	were
pretty	rain	boy	arm	come
have	coin	toy	three	some
gave	oil	rule	thing	once
save	cake	rude	woke	one
safe	bake	use	the	say
poor	make	like	said	they
grass	made	time	then	where
move	came	five	was	there

Once you have practised each spelling, write your own sentences using 15 of these words.

★ Try to challenge yourself by including conjunctions and wow words in your sentences too! ★

Please don't forget to practise your 2, 3, 5 and 10 times table daily from any order! Please read up to 15 minutes each day and don't forget to record and sign your reading record.

And finally... Have a fantastic Easter Holiday! From the Year 2 Team!
