

Year 2 Half Term Homework

As part of this half term we would like to choose two of the suggestions below to complete (or all if you would like a challenge!):

1. A message in a bottle! - What have you learnt about school life at home e.g. caring, sharing, being together, learning at home? We would like you to write a message to yourself about this strange time to read to yourself in the future! Place the message in an empty bottle once completed!

2. Cooking! - Everyone loves a sweet treat now and again! Did you know fruits have their own natural sugars? We would like you to create your very own fruit salad with your favourite ingredients! Once you have done that, write a paragraph to persuade someone to buy/try your salad. Remember to use persuasive language!

3. Write a letter! - What a strange time this has been and this will definitely be a historical moment! You have spent a long time learning at home. We would like you to write a letter to your teacher about what you are looking forward to when you come back to school. Remember to include: date, address, To, From.

4. Be creative! - we would like you to create your very own musical instrument and write a song to the beat of your favourite family song! You can use a variety of recycled material e.g. cereal box, milk bottle, cans!
