

## Nursery Remote Learning Grid

Please use this remote learning grid to direct your child's learning while school is not open.

Learning activities are listed by day, with each day consisting of an English, Maths and Topic / Science activity. Activities are designed to consolidate learning that has already taken place, while also allowing children to start to think about learning that will be taking place during the summer term. There are three activities set each day. Activities should be completed in the provided home learning book.

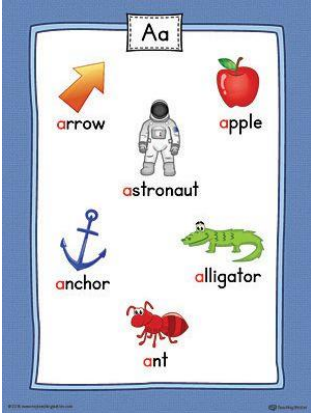

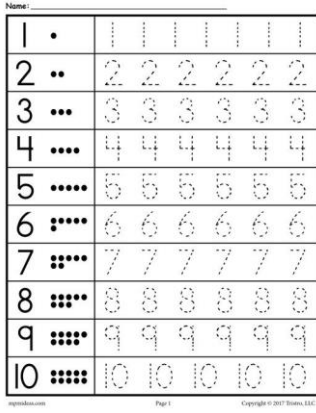

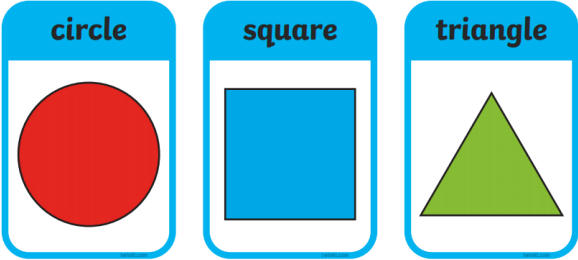

### Regular Reading, Mark making and Maths (At least 3 times per week)

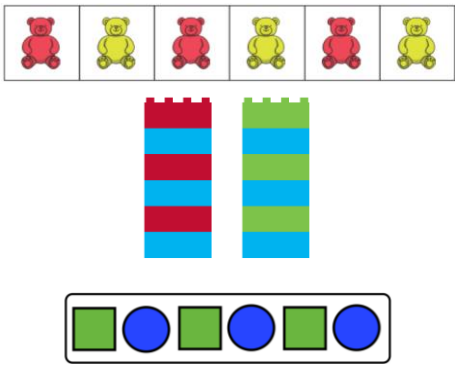

In addition to the daily learning activities, your child should continue to practice their reading, spelling and numbers at least three times per week.

- Share books with your child and talk about the characters and pictures
- Using Nursery Rhymes and counting games, your child can continue to practice reciting numbers 1 – 10 and beyond
- Encourage your child to practice getting dressed independently

### Daily Learning Activities

| Day | Literacy                                                                                                                                                                                                    | Maths                                                                                                                                                 | Topic/ Science                                                                                                                                                                                                                                                            |
