

Nursery Remote Learning Grid – Week 9

Please use this remote learning grid to direct your child's learning while school is not open.

Learning activities are listed by day, with each day consisting of an English, Maths and Topic / Science activity. Activities are designed to consolidate learning that has already taken place, while also allowing children to start to think about learning that will be taking place during the summer term. There are three activities set each day. Activities should be completed in the provided remote learning book.

Regular Reading, Mark making and Maths (At least 3 times per week)

In addition to the daily learning activities, your child should continue to practice their reading, spelling and numbers at least three times per week.

- Encourage your child to use the sound mat and mnemonics sheets below to practise writing their name everyday
- Using Nursery Rhymes and counting games, your child can continue to practice reciting numbers 1 – 10 and beyond.
- Continue to read stories to your child or listen to a story online everyday
- Practise using a knife, fork and spoon at lunch or dinnertime
- Dress and undress independently

Daily Learning Activities

Day	Literacy	Maths	Topic/ Science
1	Can you create a shadow theater? Make some puppets; you can tape a skewer to the back of each of them. Turn off the lights and find a lamp or a torch to shine on a large, blank wall. Can you make up your own story using the puppets? Use your home language.  Challenge: Can you draw your story? Can you write some of the words?	Can you help your adult to make popcorns? Can you add two popcorns in a bowl? Can you add three? Can you add four? How many have you got now?  Challenge: Can you write the number of the result?	Can you make your own Mr or Mrs Grass Head? Find an old tight and put 3 table spoons of grass seeds at the bottom of the tights. Add a lot of earth until you have a nice sized ball. Tie the bottom of the tight. Ask an adult to pinch a "nose". You can glue on googly eyes and a mouth. Find a yoghurt pot and decorate it. Place the head in the yoghurt pot. Add water and the tight will "soak the water up" into the earth. Wait for some days for the hair to grow and add a little water to the pot every so often but make sure don't keep the head too wet. Use scissors to cut Mr Grass Head's hair again and again! https://www.youtube.com/watch?list=PL2vt_TPKQbZq8uQI7UojkIZ_KhYIzI-HS&v=HQhLGX0MmpQ&feature=emb_logo
