

Nursery Remote Learning Grid – Week 10

Please use this remote learning grid to direct your child's learning while school is not open.

Learning activities are listed by day, with each day consisting of an English, Maths and Topic / Science activity. Activities are designed to consolidate learning that has already taken place, while also allowing children to start to think about learning that will be taking place during the summer term. There are three activities set each day. Activities should be completed in the provided remote learning book.

Regular Reading, Mark making and Maths (At least 3 times per week)

In addition to the daily learning activities, your child should continue to practice their reading, spelling and numbers at least three times per week.

- Encourage your child to use the sound mat and mnemonics sheets below to practise writing their name everyday
- Using Nursery Rhymes and counting games, your child can continue to practice reciting numbers 1 – 10 and beyond.
- Continue to read stories to your child or listen to a story online everyday
- Practise using a knife, fork and spoon at lunch or dinnertime
- Dress and undress independently

Daily Learning Activities

Day	Literacy	Maths	Topic/ Science
1	Can you listen to the story of "The Go-Away Bird" by Julia Donaldson? Can you discuss with you family about why it is important to be kind to others and make friends? https://www.youtube.com/watch?v=VgFQFAI1kx8  Challenge: Can you draw a picture of your favourite bird in this story?
