

Gordon Primary School Curriculum Map – Year 3, Autumn 2024 - 2025

	AUTUMN 1	AUTUMN 2
TOPIC	Changes	
KEY TEXTS	<i>The Bear and the Piano</i> by David Litchfield <i>What We'll Build</i> by Oliver Jeffers <i>Phileas's Fortune</i> by Agnes de Lestrade	<i>Greta and the Giants</i> by Zoe Tucker <i>Change Sings</i> by Amanda Gorman <i>The Promise</i> by Nicola Davies <i>The Last Tree</i> by Emily Haworth-Booth <i>Ordinary Mary's Extraordinary Deed</i> by Emily Pearson
ENGLISH <i>CRC Articles</i> 4, 12, 13, 14, 24, 27, 28, 29, 31, 32, 36	Philosophical Thinking: <i>What is success? How is it measured? Is success achievable? What is family? What is important to you? How do you measure importance? What does 'home' mean? How do you classify a home? What makes a home? What are your hopes, dreams and goals for the future? Who/what helps us to succeed? What is loneliness? When do we feel lonely? How does loneliness make you feel? Can we have everything we want? What is essential to us?</i> The children will begin their learning journey by joining in an adventure with <i>The Bear and the Piano</i>, as the bear decides to leave his home in the forest to pursue fame and fortune in the Big City. Through exploring the bear's thoughts and feelings via monologues, dialogue writing and narratives, the children will then consider the causes behind his change of heart, as they discover what he realises is important to him and why he finally longs to return home.	Philosophical Thinking: <i>How does our environment affect us? Who is responsible for bringing about a change? Can one person change the world? Can one person change the world around them/change their life? Is change possible? How can nature impact our lives? How do your feelings about yourself affect your success in life? What type of world do we want to build? Does age matter in bringing about change? If a person has had a bad start to life, will it always be that way? If we are going through difficulties, what can help us to get through them/to cope?</i> The children will be looking at the life of Greta Thunberg and her role in activism. They will link back to <i>Change Sings</i> and create poetry that shows activism and how to make changes. The children will learn about climate change and how we can make changes in our lives. They will write speeches and persuasive pieces of writing that they can share with powerful people who may visit the school. By the end of the unit, the children will have a deeper insight into how they are the future and how they can promote and persuade the future generations on how to make positive changes. They will learn that we are all capable of having our voices heard through different media, song, writing, speeches etc and develop the skills to do this.
MATHS <i>CRC Articles</i> 28, 29	Place Value, Operations and Measurement The children will develop their skills from Year 2 and will continue to develop mathematical skills with a focus on addition, subtraction multiplication and division. They will consolidate and develop their understanding of fractions using diagrams to show equivalent fractions with small denominators They will measure, compare, add and subtract lengths (m/cm/mm) and continue to work on money and time as part of our measurement unit. Whilst developing this knowledge, they will solve multi-step problems in contexts, deciding which operations and methods

	to use and they will use estimation to check answers to calculations using the inverse operation. There will also be the continuous focus on consolidating times tables and arithmetic skills.	
SCIENCE <i>CRC Articles</i> 24, 28, 29	Rocks The children will find out about what is under their feet. They will explore the fascinating world of rocks by describing them and comparing their properties by carrying out exciting investigative activities. They will also discover how soil is formed from rocks and will investigate this further by conducting practical experiments. Hence, they will spend time during this topic asking factual questions and working scientifically.	Light The children will understand that they need light in order to see and that dark is the absence of light. They will investigate and observe that light is reflected from surfaces. The children will investigate how shadows are formed when light from a light source is blocked by an opaque object and will find patterns from the size of the shadows. They will also learn that light from the sun can be dangerous and how they can protect their eyes and how light can pollute the world they live in.
COMPUTING <i>CRC Articles</i> 16, 17	Computer Science – Creating a Story The children will be able to explain what an input and output is using the Scratch program. They will create programs that meet specific aims. The children will be able to make the code bug scroll text, make an animation and create a story.	Communication – Typing Skills and Publisher The children will develop their typing skills as well as their understanding of how the suite of programs work. They will produce a typed creative piece of work using the Microsoft Publisher program, which will be linked to their key text.
HISTORY <i>CRC Articles</i> 17, 28, 29	Stone, Bronze and Iron Age The children will explore the era of the Bronze, Stone and Iron ages, looking at what life would have been like during each of those times, finding out how tools were made from each age and how these were used in daily life.	
GEOGRAPHY <i>CRC Articles</i> 24, 28, 29		Ilford & Valentines Park – A Local Area Study The children will look at how Ilford has changed over time by looking at different maps and make comparisons between Ilford now and how Ilford used to be. Furthermore, the children will explore the differences between rural and urban areas (physical geography) and how this affects the people who live there (human geography).

TOPIC	<i>Changes</i>	
ART <i>CRC Articles</i> 28, 29, 31	Portraits The children will be creating their own classic self-portraits. They will develop their drawing skills by looking at classic portraits such as the <i>Mona Lisa</i> and <i>The Girl with the Pearl Earring</i>. Following on from this, they will explore the design and purpose of cave paintings. They will merge the two techniques together creating a classic portrait on the background of Stone Age art.	
DT <i>CRC Articles</i> 28, 29, 31		Mechanical Systems: Pneumatic Systems The children will design and make a moving product using a pneumatic system inspired by the characters from the book, <i>The Promise</i>.
MUSIC <i>CRC Articles</i> 28, 29, 31	Notation This term, the children will be developing their musical notation skills. They will be exploring songs in different scales, such as G Major and F Major and they will be learning how to recognise them and how to tell if a song is in a specific scale. They will learn about sharps and flats and different time signatures, such as 3/3. They will continue to deepen their rhythmic knowledge and be able to create their own rhythms and simple songs using musical notation.	
PE <i>CRC Articles</i> 28, 29, 31	Outdoor PE – Multi-Skills The children will be developing effective coordination skills by throwing and catching balls. They will learn the basics of attacking and defending and building up their teamwork skills. Indoor PE - Gymnastics The children will be practising rolling and balancing in a sequence of movements, which will further refine their coordination skills. They will present their final sequence to the rest of the class.	Outdoor PE - Athletics The children will be practising sprinting and changing batons during class races. They will also learn how to do a Long and Triple Jump, Speed Bounce and use a Javelin. Indoor PE – Dances Inspired by our book, <i>The Promise</i> The children will develop different dance movements working in a team. They will then present their final performances in groups to the rest of the class.
RE <i>CRC Articles</i> 2, 14	What do religions teach about the natural world and why should we care about it?	What does it mean to be Hindu?

	The children will reflect on the importance of the world around them, what is worth celebrating and the differences between various religious outlooks, about the natural world.	The children will consider their own ideas about God and will describe what they learnt from the story of Diwali. They will describe the various Hindu Gods and Goddesses displayed on pictures and murtis. The children will then make links between the stories about the Gods and what key messages these stories teach Hindus.
PSHE <i>CRC Articles</i> 3, 4, 5, 12, 13, 19	Being me in my world • I recognise my worth and can identify positive things about myself and my achievements. • I can set personal goals • I value myself and know how to make someone else feel welcome and valued • I can face new challenges positively, make responsible choices and ask for help when I need it • I recognise how it feels to be happy, sad or scared and am able to identify if other people are feeling these emotions • I understand why rules are needed and how they relate to rights and responsibilities • I know how to make others feel valued • I understand that my actions affect myself and others and I care about other people's feelings • I understand that my behaviour brings rewards / consequences • I can make responsible choices and act • I can work cooperatively in a group • I understand my actions affect others and try to see things from their points of view • I am choosing to follow the Learning Charter	CELEBRATING DIFFERENCES • I understand that everybody's family is different and important to them • I appreciate my family/the people who care for me • I understand that differences and conflicts sometimes happen among family members • I know how to calm myself down and can use the 'Solve it together' technique • I know what it means to be a witness to bullying • I know some ways of helping to make someone who is bullied feel better • I know that witnesses can make the situation better or worse by what they do • I can problem-solve a bullying situation with others • I recognise that some words are used in hurtful ways • I try hard not to use hurtful words • I can tell you about a time when my words affected someone's feelings and what the consequences were • I can give and receive compliments and know how this feels
MFL SPANISH <i>CRC Articles</i> 2, 3, 7, 8, 10, 12, 13, 14, 16, 23, 28, 30, 31, 39, 42	I am learning Spanish In this unit, the pupils will revise how to introduce themselves, say how they feel and have a wider appreciation for the country/countries where Spanish is spoken. • Find Spain and South American countries on a map	The classroom By the end of this unit, the pupils will have the knowledge and skills to present both orally and in written form about what they have and do not have in their pencil cases and/or school bag in Spanish. This is a unit that focuses on recycling previously learnt grammar, using it with
