Year 4

Week beginning 02.11.20.

Day	English	Maths	Science/Topic work
1	Witches Draw a picture of a witch. Label the features of her face and her clothes. 	Place Value Make cards from 0-9. Place the cards face down. Turn over 3 cards. What is the largest number you can make? What is the smallest number you can make? Repeat this with the remaining cards.	Global Warming Divide your page into 2 columns. Label 1 causes and other effects. Use the internet to find at least 3 statements to add to each column. 
2	Description Use your drawing to add to your description of your witch.	Addition Use your cards again. Place the cards face down.	Global Warming • fires • rising sea levels • deforestation

	Use effective adjectives and try to use some similes. A simile compares 2 things eg as black as the night sky	Turn over 3 cards. Repeat this so that now you have 2 numbers. Choose the most appropriate to add both numbers. Repeat this with the other numbers.	Look at the world map.  Use the internet to find out... Which locations are the most threatened by global warming? How are different countries affected?
3	Description Look at your drawing. Describe it to your carer. Now use your drawing and words to write a detailed description of your witch. Think about what you would notice first if you met her. Remember to organise your description clearly.	Subtraction Use your cards again. Make cards from 0-9. Place the cards face down. Turn over 3 cards. Repeat this so that now you have 2 numbers. Choose the most appropriate to subtract both numbers. Remember to subtract the smallest number from the largest. Repeat this with the other numbers.	Ancient Greece Use the internet with your parent to research Ancient Greece. Use the internet to find out about Ancient Greek myths. Here are some well-known myths. • Pandora's Box • King Midas • Icarus Create a story map or comic strip to illustrate one myth. What does the myth teach you?

4	Diary Entry Imagine that you meet the witch. Where might you meet her? How would you feel? Write a diary entry about your meeting. Start... Dear Diary, Remember: to write in the first person ie use 'I' to include your description of the witch.	Word Problems Write 3 word problems using addition. eg I had 56 marbles and I was given 45 more. How many do I have now? Now calculate the answers to your questions.	Fitness Warm up- suitable for outdoors Do 20 star jumps Jog on the spot for 2 minutes Stretch you right arm into the air, followed by your left arm Repeat 5 times Now throw any ball into the air and catch it 10 times Now bounce a ball and catch it 10 times Challenge yourself to see how many times you can throw or bounce a ball without dropping it Now you can complete any of these indoor exercises: 9 min exercise for kids- Home workout https://www.youtube.com/watch?v=oc4QS2USKmk
5	Editing Read through your description. Check: Does your work make sense? Have you ordered your work clearly? Have you used effective vocabulary? SPAG	Word Problems Write 3 word problems using subtraction. eg I had 108 marbles and I gave 23 away. How many do I have now? Now calculate the answers to your questions.	Funny Spanish Witches Describe your witch following the format below. eg Mi cual tiene tres ojos rojos. My witch has three eyes red.  1. Uno 2. Dos 3. Tres 4. Cuatro 5. Cinco 6. Seis 7. Siete 8. Ocho 9. Nueve 10. diez Lengua/ lenguas Nariz/ narices Ojo/ ojos Pelo/ pelos Cabeza/ cabezas Diente/dientes Boca/ bocas Oreja/ orejas Colores: Rojo Negro Azul Morado Gris Verde Naranja Amarillo Marron Rosa Mi monstruo tiene tres ojos rojos.

			 oreja  ojo  pelo  boca  cabeza  nariz  lengua  dientes
