S.E.A.T.S.S

S.E.a.T.S.S. is one of the largest SEND Advisory Services in the UK.

We have over 70 Specialist Advisory Staff.

We can now offer support to students in Out of borough schools, Independent settings, Colleges/ Specialist settings.

We also can offer 70 bespoke training packages designed to fit the needs of your specific school/ setting.

We now support schools across the UK.

We see students who do and don't have an EHCP.

**We can provide support,
advice, assessment and
training to any setting in
the UK**

We are able to provide commissioned support to:

- Students/ staff in schools in other local authorities
- Out of Borough students attending Redbridge Schools
- Students attending Independent schools/settings.
- Redbridge students attending Schools/ settings outside Redbridge.
- Students attending Colleges inside and outside Redbridge with and without an EHCP
- Training across the UK

Who we support

S.E.a.T.S.S. are able to support students who have the following needs:

- Autism/ Social Communication
- Cognition and Learning
- Speech and language needs
- SEMH /Behaviour/ADHD
- Motor skills including handwriting
- Specific learning difficulties e.g. Dyslexia, Dyspraxia
- Deaf
- Visual impairment
- Physical disability e.g. Cerebral Palsy, Hemiplegia, medical needs e.g. Epilepsy, Tracheostomy

Multi-disciplinary team

In the S.E.a.T.S.S Team we have:

- Specialist Advisory Teachers in each team (50+ covering all areas)
-
- A team of HTLAs
-
- Audiology Technician
-
- Specialist VI/AAC ICT assessor
-
- Specialist staff in complex needs
-
- IT assessor/ IT Technicians
-
- Habilitation Officer
-
- CSW- Communication Support Worker

Independent Schools

We are able to accept referrals from Independent settings.

We offer an Initial assessment- this will involve visiting school, observation in class, SENCO, Student and Parent liaison.

You will be provided with an Initial assessment report outlining needs, recommended strategies/ interventions, training needs highlighted and how to access further support if required.

We can also deliver ongoing specialist support written on EHCPs from other LAs.

Students may choose to attend an Independent school.

Schools and families are able to commission us to deliver our usual range of services in these schools.

We can provide advice for an EHCP assessment and/ or provide the specialist support named on an EHCP.

We are able to provide EHCP or SEN support.

We can also be booked to provide staff training.

Ask for a copy of our training brochure.

Out of borough students in Redbridge schools

S.E.a.T.S.S. can provide support to OOB students who attend Redbridge Schools/ settings.

Simply make a referral to S.E.a.T.S.S as usual, and we will provide one free visit to assess and outline needs/ ways forward.

If you would like ongoing support or a block of support, please come and talk to us.

We currently have scenarios where other LA's are funding S.E.a.T.S.S support, whilst some schools have directly commissioned a block or ongoing support from S.E.a.T.S.S.

On rare occasions, families have funded our support themselves at their request.

EHCP students attending a special school/ specialist provision

Students who are deaf or who have a visual impairment, will receive support from our sensory statutory service whether they attend a mainstream or special school.

If they attend a special/ specialist school outside of Redbridge, students will receive an annual visit to monitor the EHCP. Local arrangements are usually made with local sensory teams to deliver the regular support.

Colleges

If Students are known to S.E.a.T.S.S, our staff can provide FREE transition support.

Once the students have started with your setting, we are able to provide further advice, at your request.

We are able to provide statutory services such as Teachers of the Deaf/ Teachers supporting students who have a visual impairment.

We also have additional services that could benefit college settings:

- Habilitation Officer
- Communication Support worker –signing
- Specialist IT assessment for Students who have a visual impairment/ communication needs.
- Audiology Technician supporting students who have audiology equipment e.g. radio aids
- Specialist staff supporting students who have physical and medical conditions.

We support students who do and do not have an EHCP.
