Gordon Primary School Admission Arrangements

Gordon Primary School follows the London Borough of Redbridge Admissions Arrangements.

Admissions to our school for children in Reception-Year 6, are dealt with by Redbridge Local Authority, who can be contacted as follows:

School Admissions
Lynton House, 255-259
High Road,
Ilford,
Essex,
IG1 1NN

Phone - 0208 708 3147/3127.

Information is also available online at the Redbridge.gov.uk website (<https://www.redbridge.gov.uk/schools/school-admissions/>) and our own school website: <https://www.gordonpri.uk/admissions/>

There are two sets of admissions arrangements as follows:

1. Admission to the Next Year's Reception Year Group (September 2025)

Details regarding admissions arrangements for children starting in Reception in Autumn 2025 can be found here:

<https://www.redbridge.gov.uk/schools/apply-to-start-primary-school/>

2. Admission to School During the Current School Year (September 2024 – July 2025)

Details regarding admission arrangements to our school during the current school year can be found here:

<https://www.redbridge.gov.uk/schools/change-your-childs-school/>

Both sets of admissions arrangements can be found on the school's website as detailed above.

Admission to the School Nursery (September 2025)

Children can either attend Nursery in the morning or afternoon session, each of which have 36 places. Admissions are dealt with in line with the Redbridge Admissions Arrangements for the relevant timeframe (as above).

Nursery applications should however be obtained from and returned to the school office.

Children are eligible to be admitted to Nursery in the September that follows their 3rd birthday. Children born in the period 1st September to 31st December: the start of term beginning on or following **1st January** after the child's third birthday.

Admission to the school's nursery does not guarantee a place in the school's reception and if a child is not in our nursery it has no bearing on their chance of being granted a reception school place.

The arrangements detailed are correct at the time of this review. They may be superseded by local

or national guidelines.
