

Year 4 Remote Learning Grid

Please use this remote learning grid to direct your child's learning while school is not open.

Learning activities are listed by day, with each day consisting of an English, Maths and Topic / Science activity. Activities are designed to consolidate learning that has already taken place, while also allowing children to start to think about learning that will be taking place during the Summer Term. There are three activities set each day. Activities should be completed in the provided remote learning book.

Within your child's home school communication book you will find your child's user and name and passwords for specific online learning resources, which are provided by the school. These resources can be used to support the learning.

Regular Reading, Spelling and Timetables (At least 3 times per week)

In addition to the daily learning activities, your child should continue to practise their reading, spelling and timetables at least three times per week.

- Year group spelling lists are also available on the school's website. Your child should continue to learn words that they do not know. Please work through these lists. Advice on different ways to practise spellings is also available.
- Times tables should continue to be learnt. Your child should continue to practise all times tables up to 12.
- Your child has been provided with a school reading book, please continue to read this or an appropriate book, which you may have at home, with them.

Daily Learning Activities

Day	English	Maths	Topic / Science
1	Purple Mash - Write a diary entry. Remember to: • write in the first person • vary your tenses • use a range of time words Education City – A-Boat Time 1	Write a times tables of your choice and the related division facts Remember to: Write your table out clearly first before checking using the inverse eg $1 \times 2 = 4$ $4 \div 2 = 2$ Education City – 11 x challenge	Observe your parent/carer when cooking and record the solids, liquids and gases used. Draw 3 columns to sort the items. Education City Spanish – Escucha
2	Purple Mash - Write or draw instructions for making a cup of tea. Watch your parent/carer making a cup of tea. Remember to: • use time words e.g. first, the, next • imperative verbs e.g. fill, pour, wait	Write a timetable of your day. Record the times in digital form for when you do different activities during a day. Remember to write the time and then the activity e.g. 8:00 breakfast 9:00 reading	Put 3 ice cubes in 3 different places. Think about 3 places in your house. Make a prediction about the order in which the ice cubes will melt. Observe your ice cubes over a set amount of time. Which one melts first and why?

		9:30 park	Education City Spanish – Lunes, Madrid
3	Purple Mash - Find a newspaper article and label the features. Include: • headline • introductory paragraph • main body of report • direct and indirect speech • concluding paragraph • caption Look in your local newspaper. Which articles interest you? Why?	Estimate your shopping bill. Try to add up the cost of 5-10 items on your shopping list. Check the answer. How close was your estimate? Education City – 12 x Challenge	How does sound travel? Try to use Education City and BBC clips to create a leaflet to explain how sound travels. Use diagrams labels and text boxes. Education City Spanish – Lunes Donde
4	Purple Mash - Character profile – describe, draw and describe the character.	Find at least 5 different shapes in your house and record them in a table. Find the perimeter and area of 3 shapes. Education City –6 Challenge	Draw and label an instrument. Include how it is played. Education City Spanish – Quien juega major?
5	Purple Mash - Book Review Who was your favourite character and why? What was the best part of the story and why? If you had to change anything about the story or the characters, what would it be? Would you recommend the story? Why?	Survey your family on their favourite foods. What is your favourite food? Draw and label your favourite food. Try to find out the food groups parts of the food fall into eg carbohydrates, vitamins, dairy. Education City – 7 x Challenge	Design your own instrument and write about it. What is it called? How is it played? Education City Spanish – A pie
